Here is a look at some of the products you’ll want to check out in the exhibit hall

**Victory Series Active Self-Ligating Brackets**

The Victory Series™ brand family of orthodontic brackets from 3M Unitek is known by industry professionals worldwide for its quality. Now, this renowned family has expanded into the self-ligating bracket category with the introduction of new Victory Series Active Self-Ligating Brackets. Victory Series Active SL Brackets bring active door appliances to a higher level of performance, featuring a ligating mechanism that provides durability and ease of operation. A full slot-width size door allows optimal rotational control, and no special instrument is necessary to open or close the door, so orthodontists can incorporate the brackets into their practice without changing their technique.

**Planmeca Romexis 3-D Ortho Studio**

Planmeca Romexis® is a comprehensive software suite used by dental professionals for acquiring, viewing and processing 2-D and 3-D images. Planmeca now offers Planmeca Romexis 3-D Ortho Studio module, bringing innovative 3-D tools to orthodontists and dental laboratories. The new module is designed for examination and analysis of digital dental models scanned with Planmeca ProMax® 3-D X-ray units and for planning orthodontic treatments in 3-D.

**Assure Plus All Surface Bonding Resin**

Introduced in 2014, Assure™ Plus All Surface Bonding Resin makes it possible to bond directly to every intraoral surface using one bonding primer and any bonding paste — chemical or light cured. The product increases adhesion to normal, atypical, dry or slightly contaminated enamel, and now zirconia and acrylic temps, without additional primers.
