The AGD Annual Meeting attracts attendees from all over. Here, from left, are Juliana Blackington, Samantha Ripley, Patty Jo Pantillo, Jane Bowden and Karen Greatorex, all from Belfast, Md.

Danielle Piquette and Joe Graffius of Obtura Spartan (booth No. 538), offering ‘endodontic excellence since 1979.’

Teresa Gee of Essential Dental Systems (booth No. 813). Many of the company’s patented instruments and systems are invented by endodontists.

Stephen Arbakov, left, and Mike Van Nostrand at the Ortho Organizers booth (No. 504).

Dr. Bill Paveletz of VOCO America (booth No. 426), which offers dental materials such as Futurabond DC, Profluorid Varnish and Remin Pro.

Janet McGee and Stephanie Weis of Garrison Dental Solutions (booth No. 707).

Stop by the Army Healthcare Services booth (Nos. 422/424/426) and get more information from Dr. John Geary, left, and Dr. Katherine Martin.

Lelani Le of Glidewell Laboratories at the booth, Nos. 527/529.

Clockwise from top left, Sponsorship and Advertising Manager of the Greater New York Dental Meeting Dr. Joseph Schachner, Executive Director of the Greater New York Dental Meeting Dr. Robert Edwab, Kersin Yam and Dana Soltis are all smiles at the booth, No. 407.
Lynne Calliott, far right, of Shofu explains the advantages of BEAUTFIL Flow Plus to two attendees at booth No. 517.

George Toto, left, and Judie Tinker of Directa AB (Booth No. 433), makers of the FenderWedge and the FenderMate.

Pick up these dental-themed, handpainted wine glasses and plates at the Professional Obsessions booth, No. 540.

Jason Rush of Philips Sonicare and Zoom Whitening with a few of the products that are available at the booth (No. 501), including fluorideRx and breathRx.

Find Mike Anthenelli, from left, Gerri Bowman and Andrew Fikse at the Patterson Dental booth (Nos. 815/817).

Orlando Navarro, left, and Adrian Lopez at the DoWell Dental Products booth, No. 716. Ask the company reps about the benefits of PiezoART.

James Ortmann of Hager Worldwide at the booth (No. 510).

Have a question? The folks at the information booth will be happy to help you out.

Bill Colanti of Technology4Medicine with the LightWalker, a universal, dual-wavelength laser system. Check it out at booth Nos. 505/507.
