Give your hands some love
With all the repetitive washing and drying your hands go through on a daily basis, they could use some relief. We may have found a solution.

Tips for the road
Before you pack your bags for New York, you’ll want to make sure you’re fully prepared. Our handy guide has all the information you need to know before you go.

Dental Tribune Study Club Symposia returns for third year
From ortho to endo, there’s something for everyone each day of the show

- For the third year, Dental Tribune is partnering with the organizers of the Greater New York Dental Meeting to offer four days of symposia in various areas of dentistry.
  Each day will feature five individual one-hour lectures led by experts in the field. The final day will feature the Osseo University Summit, a program dedicated to implantologists.

Get ready
The 2010 Greater New York Dental Meeting is about to open for business

- Prepare yourself for the largest and most comprehensive dental meeting in the United States. In just a few powerful days, you will have access to all the latest technologies, resources and education you will need to keep your dental practice current, competitive and rock solid.

Now more than ever, it is critical to be a part of one of dentistry’s most prestigious events. Avoid paying a $30 fee by pre-registering for free by...
