Last chance!

By Fred Michmershusen, Dental Tribune

You only have until 5 p.m. today. That’s when the exhibit hall here at the 86th Greater New York Dental Meeting (GNYDM) will close. That means now is your last chance to scour the aisles for the latest in dental supplies, equipment and technology.

The good news is that whether you are a first-year dentist or a seasoned veteran, a general practitioner, specialist or hygienist, there are products and services here to meet your needs.

So be sure to visit the show floor one last time before you go back to your practice. You’ll be glad you did.

Here are some other last-minute opportunities:

- An attendee views an informational video inside a bubble at U.S. Navy Recruiting Command, booth No. 1112.
