All Smiles. Every Step of the Way.

From a first dental visit to hygiene, orthodontics and implants, the CareCredit credit card can make it easier for families — mom, dad and the kids — to get care when they want and need it. And CareCredit gives them a financing resource they can use again and again* as credit becomes available.

Help more families achieve healthy, happy smiles. For more ways to optimize CareCredit in your practice, contact your Practice Development Team by calling 800-859-9975, option 1, then 6.

WHAT IF... You Could Do ALL Your Routine Imaging Extraorally?

- Extraoral bitewings capture a greater number of surfaces for better caries detection versus intraoral modalities*
- Anatomically Accurate Extraoral Bitewing Program enhances diagnostic capabilities and eliminates gagging
- Patented SCARA technology consistently opens interproximal contacts
- Enhances clinical efficiency - takes less time and effort than a conventional intraoral bitewing
- Captures more clinical data from lateral to third molar
- Fully upgradable to 3D and cephalometric capabilities
- Open design for simple, face-to-face patient positioning

*According to “Efficacy of ProMax Bitewings vs. Intraoral Bitewings.” For a copy of this study, please contact Planmeca USA.
