Organizers of the 102nd Thomas P. Hinman Dental Meeting have brought in more than 65 leading dental authorities to Atlanta this week to present more than 230 courses, including all-day educational tracks for dentists, dental hygienists, assistants and office staff.

Course topics range from Botox and dermal fillers to myofascial pain treatment and interactive CEREC instruction. This year, unique course pairings that combine speakers who address both diagnosis and therapeutics for select topics are being offered.

Four new educational tracks are being offered: “Hygiene, Health & Happiness,” “Achieving Excellence in Assisting,” “Business Office Bullseye” and “Health and Wellness.”
