Scenes from Thursday

- Kevin Downs, left, and Anthony Fiumani at DENTSPLY Implants, booth Nos. 509/511.

- ICOI President Dr. Jon Suzuki of Philadelphia welcomes attendees to the opening of the main podium Thursday afternoon.

- Ask about L-PRF at the Intra-Lock booth, Nos. 822/824, and Rob Rhees, Tina Rodgers Dobies and Joe Spehar can teach you about the company’s newest product.

- The staff at Zest Anchors (booth Nos. 812/814), from left, Tait Robb, Lisa Adams, Matt Powell and Cellie Herrera, would be glad to introduce you to the company’s overdenture implants.

- The staff at the Dentis booth, No. 322, stands ready to help.

- Visit the MIS Implants Technologies booth, Nos. 409/411/508/510, to hear about the company’s newest implants.

- Keystone Dental’s Todd Luger, left, and Marc Sabelli can help you with immediate molar implants at the company’s booth, No. 722.

- Let Emiko Ota and Fabrizio Asprino introduce you to OSADA’s piezoelectronic ultrasound systems at booth No. 417.

- ICOI’s co-chairman, Dr. Kenneth W.M. Judy, provides the main podium’s opening comments Thursday morning.
