Scenes from Thursday

- Darcy Murphy, left, and Dan Christensen are ready to help you out with Shofu Dental Corp. products in booth No. 1530.

- Simon Wianiewski, senior financial consultant with Investors Group, booth No. 1054, invites you to enjoy a professionally prepared latte, cappuccino or espresso and learn about his firm’s wealth planning and management services.

- Barry Faldner, left, and Vera Faldner invite you to stop by the Blue Apple Health booth, No. 1551, for a comprehensive 20-minute screening that identifies early warning signs for heart attack, stroke or cancer.

- David Goldshaw, left, and Annette Tindall, with Zeiss, in the NDI booth, No. 1319, demonstrates the Cinema ProMed 3-D multimedia video glasses, powered by the Zeiss cinemizer OLED (stop by to immerse yourself in a bit of ‘Avatar’ in 3-D).

- Janet Andersen invites you to have tea with the Queen in the BAVO The Dentists’ Laboratory booth, No. 1546.

- Gary Hunter, in the SciCan booth, No. 1029, provides an overview of the company’s STATMATIC handpiece maintenance system, which includes a unique chuck flush feature.

- Be sure to say ‘Hi’ to Mark Eisen in the DMG America booth, No. 1620, and ask him about Kolorz ClearShield sodium fluoride varnish, which is free of gluten, aspartame and saccharin.

- Simon Wisniewski, senior financial consultant with Investors Group, booth No. 1054, invites you to enjoy a professionally prepared latte, cappuccino or espresso and learn about his firm’s wealth planning and management services.

- Darcy Murphy, a dentist in New Westminster, British Columbia, tests out the Iveri whitening system, assisted by Gene David, Iveri’s Western Canada representative, in the Patterson Dental booth, No. 419.

- PDC attendees lower their umbrellas Thursday morning as they prepare to enter the Vancouver Convention Centre.
