Scenes from Friday

* Alexandra Orr helps Phu Hoang, DDS, of Calgary, Canada, try out a pair of OmniOptic interchangeable loupes (using the 3.5x option, one of four power options), in the Orascoptic booth (No. 1334) Thursday morning. (Photo/Robert Selleck, *today* Staff)

* Jordan Taub, left, walks attendees through a hands-on demonstration of Liquid Magic Resin Barrier for implant and cosmetic dentistry at the booth, No. 1280.

* Dr. Paresh Patel presents ‘In-Office Digital Dentistry with Glidewell.io’ at booth No. 1452 Friday afternoon.

* Andressa Zelaya of Bicon, booth No. 648, helps some attendees who were clearly splitting their time between CDA and next-door neighbor Disneyland.

* The team at ContacEZ is ready to answer all your questions at booth No. 2142.

* Check out the Howard Healthcare Academy at booth No. 2260, which is the only dental assistant program in California that partners with The Super Dentists to bring students a hands-on experience.

* Eric Beagle of Align Technology shows off the new iTero Element 2 at booth No. 819.
