The theme for AAO’s 2018 Annual Session is “A Capital Destination, A Monumental Experience,” and judging by the enthusiasm shown among attendees here at the Walter E. Washington Convention Center in Washington, D.C., the event is living up to expectations. Orthodontic professionals have gathered from around the country and even from overseas to partake in an abundance of educational opportunities and to see the very latest products and technology.

In the exhibit hall, many companies are launching new products or announcing updates to existing systems. Henry Schein Orthodontics (booth No. 1401) is introducing its proprietary SLX Clear Aligner System, a complete solution that incorporates Sagittal First/Motion 3D technology. According to HSO’s lead clinical advisor, Dr. Dave Pa-

So much to learn in D.C.
