Montréal hosts JDIQ, May 25–28

The 49th International Dental Days of Quebec (Journées dentaires internationales du Québec – JDIQ), the annual conference of the Ordre des Dentistes du Québec, will be from May 25–28 (Saturday through Tuesday) at the Montréal Convention Center (the Palais des Congrès de Montréal) in Montréal, Quebec, near the heart of the old-world charm of historic Old Montréal.

The annual C.E. and exhibition event is the annual meeting place for Quebec dentists and dental-team members, while also attracting attendees from across the world. With more than 12,000 participants, it is considered the largest dental conference in Canada.

The mission of the Ordre des Dentistes du Québec, representing approximately 5,300 dentists, is to ensure the quality of dental services through high standards of practice and ethics and to promote oral health among the people of Quebec.

The C.E. courses feature theoretical and practical training presented by renowned speakers from Canada and around the world. The courses and workshops focus on topics related to dental practice, as well as the technical and scientific advancements that influence the current and future practice of dentistry.

The meeting’s two-day exhibit hall will be on Monday and Tuesday, May 27-28. JDIQ 2019 marks the third edition of the CÉLABration event. In collaboration with the Order of Dental Technicians of Quebec, the CÉLABration meeting provides a full day of sessions and clinical tables, as well as an exhibition featuring specialized products and services.

The JDIQ mobile app, available in French and/or English, can be downloaded through the App Store and Google Play, or through www.odq.qc.ca.

Also on the website, search under the “Congress” tab for details on registration, accommodations, tourist information and more.
